Career Objective

A dedicated Computer Science student passionate about applying machine learning and full-stack development to real-world problems. I aim to grow through continuous learning and contribute to impactful, innovative projects that blend technology with creativity.

Education

Name of the Institution	Degree	Board	Year of passing	Percentage
Brainware University	B .Tech in CSE (AI & ML)	BWU	2022-2026	76.25% (Pursuing)
Palashchabri Nigamananda High School	12 th	WBCHSE	2022	80.2%
Palashchabri Nigamananda High School	10 th	WBBSE	2020	45.42%

Technical Skills/Additional Certification.

- Programming Languages - C, Python
- Web Technologies - HTML, CSS, JavaScript
- Databases—My SQL, MongoDB
- Version Control/Repositories-- Git, GitHub.
- Soft Skills—Leadership, Teamwork, Good Communication, Liste

Academic Projects

- **SheSecure:** A women's safety analysis app focused on real-time threat detection. My role involved designing the frontend using XML and integrating the database for efficient data management.
- **Portfolio Website:** Successfully created a portfolio website showcasing my skills, projects, and achievements, demonstrating proficiency in web development and design.

Training & Workshops

- "Completed a 5-day workshop at Brainware University on AI/ML technologies", gaining hands-on experience in machine learning algorithms, data analysis, and AI model development. Enhanced understanding of industry applications and emerging trends in AI/ML.
- Gained hands-on experience in blockchain fundamentals, smart contract development, and decentralized applications (dApps).
- Contributed to real-world projects, enhancing skills in Solidity, Web3, and Ethereum-based technologies.

Achievements

- Achieved 80.2% in Higher Secondary (HS) exams, demonstrating strong academic performance and a commitment to excellence.
- Led the "**Safewalk** Innovators" team in the Smart India Hackathon (SIH), "securing 9th place out of 150 teams" at Brainware University.
- Successfully developed and presented the "**SheSecure**" app, focused on women's safety analysis, to a panel of judges.
- "Successfully completed a Blockchain internship program"

Languages Known

Language	Read	Write	Speak
English	YES	YES	YES
Hindi	NO	NO	YES
Bengali	YES	YES	YES

Hobbies

I enjoy participating in both indoor and outdoor sports, which help me stay active and develop teamwork skills.. I also have a passion for exploring new things, learning about different cultures, and traveling to expand my horizons.

Personal Details

Date of Birth: 25/04/2004

Permanent Address: Basanchhora, Chattraganj, Paschim Medinipur-721201

Father's Name: Ajit Pan

Nationality: Indian

Name: Subrata Pan

Signature):

Date:

Place: Barasat, Kolkata, 700124
