Career Objective

Aspiring Software Developer, Web2 enthusiast, with interest in blockchain technologies, seeking a responsible position in a dynamic tech-driven organization. Eager to explore new technologies, expand my skill set, and contribute meaningfully to the company's growth. Committed to continuous learning and dedicated to delivering impactful solutions with hard work and innovation.

Education

Name of the Institution	Degree	Board	Year of passing	Percentage
Brainware University	B.Tech in CSE (AI & ML)	UGC	2022-2026	76.25% (Pursuing)
Palashchabri Nigamananda High School	12 th	WBCHSE	2022	80.2%
Palashchabri Nigamananda High School	10 th	WBBSE	2020	45.42%

Technical Skills/Additional Certification.

- **Programming Languages** – C, Python
- **Web Technologies** – HTML, CSS, JavaScript
- **Databases**—My SQL, MongoDB
- **Version Control/Repositories**-- Git, GitHub.

Academic Projects

- **SheSecure:** A women's safety analysis app focused on real-time threat detection. My role involved designing the frontend using XML and integrating the database for efficient data management.
- **Portfolio Website:** Successfully created a portfolio website showcasing my skills, projects, and achievements, demonstrating proficiency in web development and design.

Training & Workshops

- "Completed a 5-day workshop at Brainware University on AI/ML technologies", gaining hands-on experience in machine learning algorithms, data analysis, and AI model development. Enhanced understanding of industry applications and emerging trends in AI/ML.
- Gained hands-on experience in blockchain fundamentals, smart contract development, and decentralized applications (dApps).
- Contributed to real-world projects, enhancing skills in Solidity, Web3, and Ethereum-based technologies.

Achievements

- Achieved 80.2% in Higher Secondary (HS) exams, demonstrating strong academic performance and a commitment to excellence.
- Led the "**Safewalk** Innovators" team in the Smart India Hackathon (SIH), "securing 9th place out of 150 teams" at Brainware University.
- Successfully developed and presented the "**SheSecure**" app, focused on women's safety analysis, to a panel of judges.
- "Successfully completed a Blockchain internship program"

Languages Known

Language	Read	Write	Speak
English	YES	YES	YES
Hindi	NO	NO	YES
Bengali	YES	YES	YES

Hobbies

I enjoy participating in both indoor and outdoor sports, which help me stay active and develop teamwork skills.. I also have a passion for exploring new things, learning about different cultures, and traveling to expand my horizons.
