Career Objective

- Passionate B.Tech CSE (AI/ML) Student with hands-on experience in Full stack Web development and Machine learning.
- Eager to contribute to impactful projects and grow in a dynamic tech environment

Education

Name of the Institution	Degree	Board	Year of passing	Percentage of Marks
Brain Ware University	B.Tech	UGC	2022-2026	76.25% (Pursuing)
Palashchabri Nigamananda High School	12 th	WBCHSE	2022	81
Palashchabri Nigamananda High School	10 th	WBBSE	2020	50

Technical Skills/Additional Certification.

- Programming Languages – C, python, Java
- Web Technologies – HTML, CSS, JavaScript
- Database—My SQL, Mongo DB

Academic Projects

- **SheSecure:** A women's safety analysis app focused on real-time threat detection. My role involved designing the frontend using XML and integrating the database for efficient data management.
- **Portfolio Website:** Successfully created a portfolio website, showcasing my skills, projects, and achievements, demonstrating proficiency in web development and design.

Trainings & Workshops

- Completed a workshop at Brainware University on AI/ML technologies, gaining hands-on experience in machine learning algorithms, data analysis, and AI model development. Enhanced understanding of industry applications and emerging trends in AI/ML.
- Gained hands-on experience in blockchain fundamentals, smart contract development, and decentralized applications (d Apps).
- Contributed to real-world projects, enhancing skills in Solidity, Web3, and Ethereum-based technologies.

Achievements

- Achieved 81% in Higher Secondary (HS) exams, demonstrating strong academic performance and a commitment to excellence.
- Led the "**Safewalk** Innovators" team in the Smart India Hackathon (SIH), securing 9th place out of 150 teams at Brainware University.
- Successfully developed and presented the "**SheSecure**" app, focused on women's safety analysis, to a panel of judges.
- Successfully completed Blockchain internship programs

Languages Known

Language	Read	Write	Speak
English	YES	YES	YES
Hindi	NO	NO	YES
Bengali	YES	YES	YES

Hobbies

I enjoy playing both indoor and outdoor games, which keep me active and help develop teamwork skills. I also have a passion for exploring new things, learning about different cultures, and traveling to expand my horizons.
